Big Saving on Scofield Bibles

Do you know the Scofield Bible? The publishers of this most popular edition of the Bible, edited by Dr. C. I. Scofield, have just closed out a special edition No. 74X, on India Paper, with French morocco binding, leather lined, divinity circuit. We bought these as low as we can give you one with a year's subscription, new or renewal, to The Christian Workers Magazine for \$5.50. When these are sold out we cannot duplicate the orders. Bibles alone, \$4.75.
